Accord Near In CBC Strike

OTTAWA (UPI) — The CBC and its striking TV producers appeared last night to be nearing a settlement of the 38-day-old Montreal walkout after two days of marathon meetings.

One spokesman said the talks had reached a "crucial" point.

Red Attack on U.S. Plane Taped

'I'll Finish Him'

WASHINGTON (CP)—The United States Thursday accused the Soviet Union of deliberately shooting down an unarmed American military transport aircraft which strayed into Soviet territory near the Turkish frontier five months ago.

Six U.S. airmen are known to have been killed in the attack. The 11 other members of the 17-man crew still are missing and may also be dead.

To support its case, the department released the transcript of a tape-recorded radio talk among Soviet fighter pilots attacking a four-engined transport in that area last Sept. 2, the date the U.S. transport disappeared.

The story of the kill is told in these words in the English-translation transcript:

"I see the target, a large one" . . . "I see the target, attack" . . . "I am attacking the target" . . . "The target is a transport, four-engined" . . . "It is turning toward the fence (border)" . . . "The target is burning" . . . "There's a hit" . . . "Open fire" . . . "The tail assembly is falling off" . . . "Look at him, he will not get away, he is already falling" . . . "I will finish him off, boys, I will finish him off on the run" . . . "The target has lost control, it is going down" . . . "Form up, go home."

'Robin Hood' Bandit Gave Back to Poor

TORONTO (CP) — Phillip Keppler, known in Toronto as the "Santa Claus" or "Robin Hood" bandit, confessed on Thursday to 11 charges of theft and said he would confess to robberies in other cities.

Police quoted him as saying he worried so much about his robberies "I think I got ulcers."

Keppler pleaded guilty to nine charges of armed robbery, one of attempted robbery and one of car theft.

The charges against him here include two robberies in which the money was handed back to the victims. It was from these robberies that he got his nicknames.

In a statement to police he said he walked into a store and told a man and his wife to give him their money. When he saw they had only about $5, "I realized these people were in desperate need so I told them to keep the money."

Shooting Hearing Delayed

Preliminary hearing of a manslaughter charge against Adam Reisch, Veyaness Road, was adjourned yesterday for the second time pending arrival here of RCMP ballistics experts from Regina.

New date for continuation of the hearing is Feb. 12.

The Central Saanich case case arose out of the death on Dec. 21 of six-year-old Arie Schut, who was shot through the chest while playing "army" games with three other children on the Schut property adjacent to land owned by Adam Reisch.

Khrushchev Asks Eisenhower To Visit Russia

MOSCOW (AP) — Nikita Khrushchev Thursday urged President Eisenhower to visit the Soviet Union and challenged the United States to participate in making West Berlin a free city under United Nations responsibility.

Winding up the 10-day Communist party congress, the Soviet premier compared the Berlin crisis with a burning fuse in a powder keg.

"Why should we preserve such a situation?" he asked. "Would it not be better to put out the fuse? It would be difficult to find another solution that would be in the interests of the two German states and at the same time would not be offensive or do damage to other interested powers. The conversion of West Berlin into a free city is such a solution."

Khrushchev spoke with the knowledge that Prime Minister Macmillan will visit here 16 days hence. In urging Eisenhower to follow, the Soviet leader observed:

"If the president should wish to come to our country he would be received with heartfelt hospitality both by our government and the Soviet people."
